VILLAGE HALL CAR PARK

It's easy to forget that the Village Hall car park is owned and maintained by the Community Association, primarily for the use of people who book the Village Hall.

It's an excellent car park. It is in the centre of the village just by the shops and near the school, and just behind some of the houses in Oaklands. It is kept in a good state of repair and has a good surface on it. It is convenient for a lot of people to drive up and park for a few minutes.

It is handy when you take your child to school in the morning. It is probably the only place you can park if you want to go to buy something from the shops, and if you live near, it makes sense to park there, where your car is off-road and may be better protected than on the road.

All these uses make sense, but what happens when there is so much use of the car park being made by other people that there is not enough room for Village Hall users? What should the Hall Committee do then? Should we ask people not to park there? Should we put a barrier up, with a lock and key to physically prevent others from parking there?

Yet, here you can see that there may be a potential conflict situation – times when we find that we cannot please everyone because there are demands for it for different uses at the same time.

Looking at it another way, perhaps we should be pleased that there is so much use made of the car park, because it means that people are not parking their cars somewhere else. What would the village be like if we did not have the car park, and had to park in the roads around the Hall? They would be severely congested, particularly at certain times of the day.

(Continued on page 2)

(Continued from page 1)

What would it be like near the shops, particularly at weekends, if everyone had to park in the tiny car park in front of the shops? The small car park would not be large enough for all the people who work in the shops and who want to visit to buy things there. Cars would be parked all over Oaklands and the surrounding roads, adding to congestion.

What would it be like near the school, particularly first thing in the morning and late afternoon, if the parents parked in the roads near the school? It would be very difficult and dangerous for the children, the parents, and the people who live there, if they could not use the Hall car park. We encourage them to use the car park at these times.

We try to balance all the various uses at different times, but we need everyone to cooperate when parking there. It is mainly for Village Hall Users; local businesses have limited parking arrangements and it is sensible for others to use it at certain times. But it is important to remember that others need the permission of the Hall Committee to park there.

Let us not forget that the car park is owned and maintained by the Community Association, principally for the use of people who book the Hall. Let us not take it for granted, but try to share it, by fitting in all the various uses, for the benefit of the village. And also make sure we remember to drive slowly in the car park, which frequently has children and slower people walking across it.

During those times the car park is extremely busy, please be extra careful when using it and be sensible not to block anyone in on the car park. When it is very full, please walk an extra few yards and park sensibly around the Oaklands estate.

Everyone Welcome!!

Clubs and Societies

Badminton Club (Seniors & Juniors)

The Badminton Club plays in the Village Hall from September until the end of April.

Club nights are:

Seniors - Monday and Tuesday evening from 8.00pm - 10.00pm

Juniors - Wednesday evening from 6.30pm - 8.00pm

The Seniors continue to have good membership support for Mondays but we are still struggling to attract new members to play on Tuesday evening. So if you have played some badminton before, or any other racket sport and would like to give it a try you will be made very welcome.

We have a great facility in the Village Hall so why not come along and enjoy the social nature of the club whilst taking some gentle exercise. It's a very enjoyable way of keeping fit.

If you are interested in joining the Senior Section please contact Peter Evans on 300890 or just turn up on a Monday evening to find out more.

There are spare spaces in the Junior Section right now. If your child's Year 5+ and interested in joining, please contact Dave Hudson (07850 819393).

The weekly sessions are run by parents on a rota, and include a mix of matches and informal games, as well as table tennis.

We'd also welcome further help from experienced badminton players with coaching.

Women's Institute

We have continued our 2017 programme with excellent speakers. In August Rev Michael Burgess gave members a humorous talk about the “Seven Deadly Sins” and handouts to explain them.

Brogan Roberts from the B.I.R.D Charity gave an interesting talk and PowerPoint presentation explaining about their research and treatment of brain damage injuries.

This Autumn it was Guilden Suttons' turn to organise the Gowy Group Autumn Evening in September. We had a really enjoyable evening listening to The Robinsons who entertained us with nostalgic music of Simon & Garfunkel and the Everly Brothers

In October Eric Newton entertained us playing his clarinet and with lots of fascinating stories of his life as a Busker not only in this country but also in Australia, where each year, he goes to escape the British winter.

Several members went to the County Autumn Meeting at Winsford, to hear the guest speaker John McCarthy, speak of his five years as a hostage in Lebanon between 1986 and 1991.

More light hearted, we went to Tarvin, where Alison Neal, playing the part of her sister, told us of the interesting life story of “Mrs Isabella Beeton” who was the writer of the famous historical “Household Management” book, followed by a sumptuous afternoon tea, prepared by the CFWI Homes and Gardens Sub-Committee.

Forthcoming meetings:

5th December - The Victorian Lacemaker and her Crafts by Karen Andrews

11th January - Lunch at the Mill Hotel, Chester

6th February - The Mid Cheshire Line by Sally Buttifant

6th March - Customs & Excise by Rev'd David Chesters

Visitors and new members are always welcome. We meet in the Marigold Room in the Village Hall on the first Tuesday of the month at 7.30pm.

For further information please contact Jill Beavan on 01244 301015.

Talkabout

As we start to think of dark nights and winter I must report on our summer events. In July we once again organised the cake stall at the Village fair and raised over £200. It was a glorious day with a good crowd and I would like to thank all who contributed cakes and their time. Also in July we had a Treasure Hunt held in Malpas with a meal afterwards in The Fire Station bistro. We did get wet but still we all enjoyed the evening, searching for clues and looking around the village. As usual a big thank you to Vivian and Robin.

September's meeting was a talk by Bob Bostelmann about his life and experiences as a Vet. It was really interesting as he had travelled widely in his line of work to Antarctica, the Falklands and New Zealand to name a few! He also had work supervising the regulations during the horrific Foot and Mouth epidemic and animals brought in from abroad. A real variety.

In October we showed our versatility! Our booked speaker cancelled that afternoon so we had an impromptu evening. A hastily organised quiz (with a hastily thought of prize!) and a general chit chat as we welcomed two new members. We do hope we haven't put them off! Still these things happen and it is the first time we have been let down.

November's meeting should be good as we have all been asked to bring an item of food or drink, from a particular area that has links to our past! We can then have a tasting session. Several of our members thoroughly enjoyed a trip to Liverpool, Empire to see the musical 'Cilla'. In fact they have all raved about it! Lynne has also organised further trips to see 'War Horse' and 'The Band'.

We are pleased to welcome Lynda to the committee and look forward to some refreshing ideas from her.

If you are interested in joining us, please contact any committee member listed below.

Sutton Six 10K and Fun Run

The Sutton Six 10K was held this year on Sunday 17th September, the 36th consecutive race since it was created in 1982 as part of the original Village Fair – a fund raiser for the Village Hall construction.

We were very fortunate to have a dry event for both the 10K race and the Fun Run. It had rained heavily during the latter part of the week prior to Sunday but stopped raining just in time for race day. Participant numbers in the 10K were significantly up this year as we were part of the Cheshire Road Race Grand Prix series. The Fun Run was very well supported, we had 84 entries in total.

Spectator support has traditionally been very good within the village, especially on Belle Vue Lane where the spectators got to see the race twice - lots of cheering and clapping, always much appreciated by the runners. This year was no exception.

The 10K race saw a total entry of 307, our best entry level for some time. First to complete the 6.25 mile course at the Village Hall was Thomos Roberts from Meirionnydd Running Club in a time of 32:30, 50 seconds ahead of second place man William Woodcock of Wirral AC.

First local man home in 15th place was village resident Robert Little, West Cheshire AC, in a new personal best time of 35:56. First lady home was Dianne McVey of Wilmslow RC in a time of 36:42; second lady, Joanna Marsden of Ellesmere Port RC, finishing in 39:15. At the other end of the race the last runner home clocked a time of 78:57.

The Fun Run entries this year totalled 84, 80 of whom finished. The runners started off at 12:15 from Hilltop Road, to complete two laps of Oaklands (about 1½ miles) before finishing back at the Village Hall. All finishers were given a medal. First home was Imogen Pughe from West Cheshire in a time of 9:15, followed by Kirsty Cowell of Christleton High School (also first home for the village) and Luke Parker, also of West Cheshire AC, in times of 9:56 and 10:10 respectively. Guilden Sutton Primary put on another brilliant showing with a total of 36 finishers; first home for the school being Ruby Carlile in a time of 11:08. Well done Guilden Sutton Primary, again!

Guilden Sutton Cubs & Beavers led by Kathryn Foreman and Judith Latham together with all their helpers put on an excellent spread of refreshments to give their funds another healthy boost, the best they have ever had at our event. The local Scout troop, led by Jon Brown, helped out by looking after the water station and the exhausted runners at the finish. Thanks go out to the cubs, beavers and scouts for their much appreciated assistance in making our village event run smoothly.

(Continued on page 7)

(Continued from page 6)

Thanks go out as always to the Community Association for the use of the Village Hall and of course to a large contingent of West Cheshire AC club members, their families and friends who marshalled the course and made the day another great success overall.

Thanks also to those who moved their cars for us and to the significant numbers of people stationed at various points around the village who came out to watch, providing support and much needed encouragement for the runners.

This year, due to the heavy rain immediately preceding the races, we were unable to use the fields of Belle Vue farm for car parking due to waterlogging. The Sandlins had also cancelled an equestrian event due to held on the Sunday for the same reason. Fortunately Alison & Stuart Arden stepped in at the last minute and allowed us to park all the cars on their hard standing within the farmyard. This in itself was possible because they too had cancelled a charity event, due to the rain, which was planned to be held on their land.

This year I took a step back from being race organiser and handed over the reins to Andy Clark. I will still be involved in the future to the extent that I will continue to help with communication with the village regarding the race but the actual organisation of the events themselves will now be in Andy's capable hands. We hope to see you all again next September - Sunday 16th is the date.

Should anybody have been inspired enough to come and run with us at West Cheshire AC, please contact Richard Batterham. We cater for all abilities in a number of different groups, so if you want to get out and run as part of a group you will be made welcome. We have a very strong junior section (age 9 upwards) based at the Ellesmere Port Sports Village (was Stanney Oaks Leisure Centre) where the club also has a running track. Rambling Group

Following our summer break essentially covering the school holiday period we started up again on 19th September. Trevor led a walk, or rather two consecutive walks, around Delamere Forest. We started off with a gentle amble around Blakemere Moss. The weather was lovely with lots of avian activity on the lake and in the sky above. Being late September there was plenty of migrant bird activity. Some people left after this, as was the intention, and then Trevor took the rest of the group for a stroll through other parts of Delamere.

Our next walk on 4th October was a return visit to the Gowy Connect Project route. Starting from the Shady Oak at Tiverton the route followed the Shropshire Union Canal west towards Tattenhall but then turned off south to follow tracks across farm land before getting to the Gowy. We followed the Gowy back towards the Shady Oak, re-joining the canal towpath just before the pub. We enjoyed a light lunch at the pub.

Having had two very flat, quite short walks to get back into the swing of things our next walk went a bit further. Janet led the walk, based around Hawarden, and was an attractive stroll through fields, woods and quiet lanes. Post walk refreshments were enjoyed at the Glynn Arms in Hawarden. This walk marked the end of the fortnightly walks for this year; we now drop onto the monthly schedule for the late autumn/winter period.

By the time you read this we should have been on a walk, scheduled for 19th November and probably in the Welsh hills, which will have been a little more strenuous. December sees our Christmas lunch which will be preceded by a very short and flat local walk.

In the New Year our first walk will be in January, almost certainly to Hilbre Island. The date will be controlled by the tide times so is unlikely to fit the standard schedule. Details will be available on our Ramblers page on the village website in due course and as usual by email to all our regular walkers.

As you can see from the walks above there is a mixture of very flat and some quite hilly walks in the programme. The pace is quite relaxed, plenty of time to look around at the scenery and absorb any interesting local details. Have a look at the Rambling Group pages on the Guilden Sutton Village website www.guildensutton.org.uk (Home page, Living Here, Ramblers) for more details and to see the programme for up and coming walks, which is now being put together. We have walks every 15 days for the spring to autumn seasons, dropping to once month in the winter. They take place Monday to Friday and we move through the week to avoid permanent clashes with other regular events in peoples' busy lives.

(Continued on page 9)

(Continued from page 8)

Our aim is to cover a range of different walks from short and moderately flat/easy to longer hill walks up to about 7-8 miles. If you would like to join us please contact Richard via rambling@guildensutton.org or phone 300107.

HEALTHY ACTIVE LIFESTYLE (H.A.L.) CLUB

H.A.L. Club continues to go from strength to strength and celebrated its second anniversary in November.

We meet every Thursday morning from 9.15 – 10.30am in the Village Hall for an informal discussion (and idea swapping) about healthy nutrition, over a cup of energy-giving herbal tea. We then have a 25 minute session of exercise, most of which is low impact, and can be adapted for those with limited mobility. However, there are also options to really go for it and get a more intense work out. After our workout we relax and recover with a delicious nutrition shake.

New members are always welcome to join us. We have a pay as you go approach, so no need to commit for an extended period. We meet every Thursday in the Village Hall from 9.15am – 10.30am. Weekly membership (£5) includes:

- A cup of delicious, energizing Herbal Tea
- Nutrition discussion
- Community Workout (suitable for all fitness levels)
- Healthy Nutrition Shake

For more information please contact Su Baird on 0777 195 1427.

Su also runs outdoor fitness sessions in Vicars Cross and Hoole every Wednesday 6.30pm and Saturday at 10am for just £1 per session. Please contact her on the above number for details.

For tips on healthy eating and exercise please visit Su's Facebook Page <https://www.facebook.com/nutritionhealthlifestylechester/>

Guilden Sutton Players

At the time of writing this article, we're busy with the final few rehearsals of "The Flint Street Nativity" by Tim Firth. It's such a fun play to do, as you can imagine, with adults playing the parts of primary school children. Having performed the play before, back in 2009, we know it will be well received and are looking forward to the actual production week. Just making sure now that the cast know all their lines, props and costumes are made, lighting and sound effects prepared, the stage set ready for building and a whole host of other jobs completed!

The Players' next production will be "The Tempest" by William Shakespeare, on 16-19 May, 2018. More information on this will be in the April edition of The Marigold.

New members for acting, Front of House or back stage are most welcome. Please contact Anna Morris (01244-791267) or Anne Albany (01244-851054) for further details.

Guilden Sutton Preschool

Firstly we would like to share our good news! We had our most recent Ofsted inspection on Friday 6th October; it went really well and we maintained our 'Good' grading. The report states that "Staff are well qualified and experienced. They use their knowledge and skills effectively to promote children's learning." and that the Preschool has "developed stronger links with the local school to help prepare children emotionally." You can read a full copy of the inspection report online.

As well as continuing to develop our relationship with the school, we are also looking forward to getting involved with the local church more. We have been visiting the newly refurbished Church Hall Cafe with the children for a drink and a snack - our next visit is planned for the 7th December. We are also teaming up with the local toddler group and heading over to the church for a lovely Christmas service on the 12th December.

The children will also be taking part in a wide range of Christmas events and activities during December such as a Christmas trip into Chester, holding our Christmas Carol and mince pie service with the children for their families and our end of term Christmas party, along with a very special visitor!!

Please remember, we have an open door policy- so if you have a child between the ages of 2 ½ - 4 years; please pop in and have a chat and a look around our lovely welcoming Preschool.

We wish everyone a very Merry Christmas, from all at Guilden Sutton Preschool
